

REFERENCES

I hereby confirm the GB Automotive Sp. z o.o. company meets all the requirements set out by the TCE Elite Certificate, specific for the best carriers in Europe.

Obtaining the certificate by TCE Elite means that it meets more than 20 demanding quality and safety standards, reflecting the needs of the European transport market.

In the process of granting the certificates the following areas are verified:

- The scope of insurance protection
- The condition of the carrier's fleet
- Monitoring of trucks (telematic system)
- Reputation of a carrier
- Meeting legal requirements

Therefore, we recommend the GB Automotive Sp. z o.o. company as a professional and reliable partner in the area of transport services.
